Kindly Provide me Cost for website. Aman (2370)

Quote ID - 2999
Budget: 4000 \$.

Our Vision

To design and develop an online dating website that is visually appealing and encourages users to register to find their dating partner online. The website will have a customized look-and-feel with great level of user-friendliness. The website will be search engine optimized to gain better traction with popular search engines. The entire structure will be easily manageable through the admin panel.

User Module

Section 1: Homepage Design

Homepage will be designed in such a way that it showcases the benefits of registering on the online dating website. The website will have a very user-friendly navigation system. There will be links to most of the inside pages on the homepage to allow one-click navigation.

The homepage will keep all the overwhelming distractions away and only allow the visitor to access the features after he logs in or registers.

Registration Form: The registration form will include the following fields:

- Step 1 Form

- Name (Textbox)
- Gender
- E-Mail ID (Textbox)
